Onsdag den 9. oktober 2019 kl. 20:00 i klubhuset

## Welcome!

Hardly anything has been good in the 2019 season!

- Few games
- After summer break few have been at practice
- Low number of paying members

B&U and female side are doing ok

If Roskilde Rugby is to keep a senior male team, then we need to improve on central areas:

- Recruitment
- More who wants to play games

The positive is our relations to other clubs, the 'new' Suffers and Malthe who took over practice after summer

## Roskilde Rugby Klub (RRK)

A support organization, Roskilde Rugby Klub, has been created and it supports us financially and practically.

RRK will in 2019 secure:

- Updated webpage
- Transparent Facebook environment
- PR & Recruitment
- Finances e.g. to use on international games by hosting Rock'n Roll Bingo, B&U tournaments and festival work

RRK have in 2019 made close to 26.000 DKK which among other things secures that the kids will go to UK to watch an international friendly. Possible to buy your seat at cost price.

## Decisions

Given the assumption that we continue, the organisation must be strengthened:

- Callie has offered to coach us, and Callie will start on level I and II of the coaching education. This leaves a gap at B&U
- A DRU / games coordinator has to be appointed
- Will we stay with DRU or seek our own games?
- Competence development
  - Referee

What can we do to recruit more players?

- RUC days
- General recruitment through RRK
- Social activities e.g. Gothenburg trip
